

CapAir Baggage Policies

Purpose: This document serves as the guide for all baggage policies that CapAir follows. It gives information about carry-ons, personal items, checked baggage, oversized baggage, special items, musical instruments, not accepted items, fees, damages, and battery policies. This will support users as questions arise about baggage, what they can or cannot bring, and the associated costs.

1. Recommended CapAir Carry-On Baggage Policy

- Each passenger may bring one free carry-on bag and one free personal item on every CapAir flight.
- Carry-on bags must not exceed 22 x 14 x 9 inches (56 cm x 35 cm x 23 cm), including wheels and handles. Combined length + width + height must not exceed 45 linear inches (114 cm).
- If overhead space is limited, your carry-on item may be gate checked free of charge.
- Personal items must not exceed 18 x 14 x 8 inches and must fit under the seat in front of the passenger. Personal items include a purse, briefcase, small backpack, belt bag, fanny pack, laptop bag, camera bag, or diaper bag.

2. Recommended CapAir Checked Baggage Policy

- Standard checked bags may weigh up to 50 lbs (23 kg) per bag and measure up to 62 linear inches (157 cm), calculated as length + width + height.
- Customers may add checked bags during booking or add them to their reservation using the Trip Management tab on the CapAir website.

	CapAir Recommendation	Customer-Facing Message
Maximum standard weight	50 lbs / 23 kg	Standard checked bags may weigh up to 50 lbs.
Maximum standard size	62 linear inches	The total length + width + height of a standard checked bag may not exceed 62 inches.
First checked bag	\$35 each way	Add your first checked bag for \$35.
Second checked bag	\$45 each way	Add a second checked bag for \$45.
Third checked bag	\$100 each way	Additional baggage fees apply for a third checked bag.

2. Oversized and Overweight Items

- Bags measuring 63 to 80 linear inches should be treated as oversized baggage.
- Bags larger than 80 linear inches should not be accepted as standard checked baggage.
- Bags weighing 51 to 70 lbs should receive an overweight fee.
- Bags weighing 71 to 100 lbs should receive a higher overweight fee.
- Bags over 100 lbs should not be accepted as standard checked baggage.

Category	CapAir Threshold	Recommended Fee / Handling
Standard checked bag	0-50 lbs and up to 62 linear inches	Standard checked-bag fee applies.
Overweight bag	51-70 lbs (23 kg – 31.75 kg)	+\$100 overweight fee.
Heavy overweight bag	71-100 lbs (32 kg – 45.36 kg)	+\$200 overweight fee.
Not accepted by standard baggage	Over 100 lbs (45.36 kg)	Not accepted.
Oversized bag	63-80 linear inches (161 cm – 203 cm)	+\$150 oversized fee.
Not accepted by standard baggage	Over 80 linear inches (203 cm)	Not accepted.

3. Special Items

What Counts as a Special Item

- Unique size or shape.
- Exceeds weight or size restrictions (50 lbs. or 62 linear inches).
- Equipment for medical assistance, musical instruments, or sporting gear.

What to Do

- Meet with an agent at the CapAir airport when you arrive. They will assist you with your item.

4. Musical Instruments

- Small musical instruments that fit within carry-on size limits may be transported as carry-on baggage.
- Larger instruments may require checked-baggage handling, special-item processing, or the purchase of an additional seat.
- Customers should contact CapAir prior to travel for larger instruments.

5. Not Accepted Items (TSA Restrictions)

- Aerosol products, including cooking spray.
- Liquids over 3.4 ounces.
- Bleach, drain cleaners, or pesticides.
- Fireworks or explosives.
- Gunpowder.
- Torches.
- Fuels.
- Paints.
- Hoverboards, balance gliders, or motorized riding suitcases that use lithium or lithium-ion batteries.
- Human-like or animal-like robots.
- Items with refrigerants, including fridges, air conditioners, freezers, or dehumidifiers.

6. Fees and Pricing Display Requirements

- Baggage fees should be calculated per passenger and per direction of travel.
- The booking flow should show baggage selections as an itemized cost before checkout.
- The trip summary should clearly separate included baggage from paid baggage.
- If a customer removes a checked bag, the price should update immediately.
- If a baggage policy varies by route, the application should display only the fees that apply to the selected itinerary.

Fee Type	CapAir Price
Personal item	Free
Carry-on bag	Free
First checked bag	\$35
Second checked bag	\$45
Third checked bag	\$100
Additional checked bags	\$200 each
Oversized baggage	+\$150
Overweight baggage 51-70 lbs	+\$100
Overweight baggage 71-100 lbs	+\$200

7. Lost, Delayed, or Damaged Baggage

- Customers should report lost, delayed, or damaged baggage to a CapAir representative before leaving the airport whenever possible.
- Claims may be submitted through the CapAir website or customer support channels.
- Compensation and reimbursements are subject to applicable regulations and CapAir policies.
- Customers should retain baggage claim tags until the trip is complete.

8. Lithium Battery Policy

- Spare lithium batteries, power banks, and e-cigarettes must be transported in carry-on baggage only.
- Damaged, recalled, or defective lithium batteries may not be transported.
