

CapAir Flight Change and Cancellation Policies

Purpose: This document serves as the guide for all flight changes and cancellation policies. Users can get an idea of when they can cancel or change their flight, and the associated fees involved.

1. 24-Hour Risk-Free Cancellation

CapAir allows customers to cancel any flight reservation within 24 hours of purchase and receive a full refund to the original form of payment. Users can cancel their flight using the CapAir website in the My Trips page.

Eligibility Requirements

- Reservation must be canceled within 24 hours of booking.
- Applies to all fare types, including Basic Economy.
- Refund will be issued to the original payment method.
- Any optional purchases (seat selection, baggage, trip protection) purchased during booking will also be refunded.

2. Fare Types and Cancellation Rules

Basic Economy

Basic Economy offers the lowest fare with the fewest flexibility options.

Cancellation Policy

- Refundable only during the 24-hour risk-free cancellation period if you booked at least 2 days before departure
- After 24 hours, tickets become non-refundable.
- Users can cancel their flight anytime for CapAir credit, minus an associated cancellation fee of \$99.
- Cancellation must occur prior to departure
- No-shows forfeit all ticket value – no refunds possible.

Premium, Business, and First Class

Cancellation Policy

- Tickets may be canceled at any time before departure.
- Customers will receive a full refund to the original payment method.
- No cancellation fees apply.
- Optional purchases associated with the reservation will also be refunded if unused.

3. Travel Credits

When an economy ticket is canceled outside the 24-hour refund period, CapAir may issue a travel credit.

Travel Credit Rules

- May be used toward future CapAir flights.
- Credit value equals the unused portion of the ticket.
- Travel credits are non-transferable.
- Credits expire 12 months from the original ticket issue date.

4. Flight Changes

Customers may modify their reservations through booking management prior to departure.

Flight Change Rules

- Any flight changes MUST be done over the phone. Please call a CapAir customer service representative to complete this transaction.
- A fare difference applies when the new flight costs more.
 - Cost = \$30 + fare difference
 - This cost will apply if -
 - Change is made more than 24 hours before departure
 - Change is made within 24 hours before departure, but moved to a different travel date
- If the new flight costs less, the remaining value may be issued as travel credit.
 - Gained travel credit = fare difference - \$30 fee

- Same-day flight changes may be available based on seat availability.
 - Must be done within 24 hours of your original departure
 - If you choose to be placed on stand-by for a different flight, same-day flight change is free.
 - If you choose to select a confirmed seat for a different flight, same-day flight change will cost \$75.
 - Same-day flight changes are only available for flights operating on the customer's original date of travel.
- Any changes must be completed before the scheduled departure time.

5. Airline-Initiated Cancellations and Schedule Changes

If CapAir cancels a flight or significantly changes a schedule, customers will be provided with flexible options.

Customer Options

- Rebook on the next available CapAir flight.
- Select an alternate available itinerary.
- Receive travel credit.
- Request a full refund to the original payment method.

Significant schedule changes may include:

- Flight cancellation.
- Major departure time changes.
- Major arrival time changes.
- Loss of a connection caused by schedule adjustments.

6. Delayed Flights

If a delay is more than 3 hours, customers may qualify for the following options -

- Rebooking on the next available CapAir flight.
- Alternate routing when available.
- Refund requests when travel is no longer desired due to qualifying delays.

7. Refund Eligibility
